

Achray Farm Pork List – February 2018

We will have free range pork available again in a few weeks time from our Oxford Sandy & Black pigs here at Achray Farm.

As before, everything will be delivered fresh (vacuum packed and ready to eat or freeze) on the day we collect from the butcher so it is necessary to pre-order. Bacon/gammon are cured so available a couple of weeks later.

This time around their diet has been supplemented with daily goats milk from our own goats to help them through the winter, this should make for some fantastic pork.

Please email your order to nicola@achrayfarm.co.uk / telephone 01877 376 226 or send us a message on the Achray Farm facebook page. We will respond to all order requests asap. If you have any other cutting requirements besides the options listed below then please let us know. Our aim is to supply high quality food within the locality.

If you would like to place an order then please do so as early as possible, before Monday **26 February** so that we can coordinate orders and delivery locations.
